Dear Travel Friends,

I am excited to be a Kelly Cruises & Tours host for the first time! My colleagues who have sailed with Kelly Cruises always come back relaxed, smiling and raving about the places they explored, the great friends they made, the service, the food, the ship... everything! Now I'm doing it...and I can't wait. We're going to Alaska!

My wife Karen and I are hoping you can join us when we travel to Alaska for 7 days, June 2-9, 2022 onboard Silversea's 6-star luxury ship *Silver Muse*. We'll sail from Anchorage/Seward and stop at Hubbard Glacier, Juneau, Skagway, Sitka, Ketchikan and spend one full day onboard the *Silver Muse* sailing through Alaska's Inner Passage.

I know Karen and I are going to have a hard time choosing the shore excursions we want to take! There are so many...salmon fishing, whale watching, zip lining and kayaking. There's also dog sledding and seaplane rides. Can you imagine? I know Karen and I want to meet some of the Alaskan residents to learn what life is like living in the "Upper 49th" year-round.

You know the ship is going to be spectacular... it's a 6-Star Luxury Ocean vessel! And, almost everything is included! Economy air is included, as are shipboard gratuities. All beverages, including wine, spirits and soft drinks served throughout the ship are complimentary. And you won't pay for Wi-Fi throughout the ship or in your suite. Each suite has its own Butler who is trained to assist you during your cruise. Plus, the ship's beautiful spa is ready for you when you want a bit more pampering and relaxation.

You will also enjoy a \$300 shipboard credit to every double occupancy suite compliments of Kelly Cruises & Tours! This can be used to shop in the ship's boutique, treat yourself in the spa or for your shore excursions.

Please join Karen and me. We're going to have a fantastic time and we want you to share all of Alaska's beauty and adventures with us! June 2022 may seem like a long way away, but you know how quickly the months fly by. Karen and I are so looking forward to this adventure.

I'm excited to travel again!
See you in Alaska!

Your future travel friend,

Dave

Dave Eanet and his wife Karen are leaving the "lower 48" to explore and enjoy adventures in the beautiful "upper 49th" State of Alaska. This is going to be a fun, memorable trip with an excellent itinerary and of course, great hosts – Dave and Karen Eanet!

The cruise will set sail from Anchorage (Seward, the closest port to Anchorage) on June 2, 2022 to begin its journey to the key cities and towns of Alaska, including Juneau, Skagway, Sitka, and Ketchikan. Each port has its own personality. The people are friendly, welcoming and have a hardy laugh. They are happy to welcome visitors and share their little piece of heaven on earth.

Mountains, wildlife, exquisite vistas, blue skies, eagles, glaciers, icy waters are there for all to share and enjoy. The numerous shore excursions offered on this sailing provide numerous opportunities to experience adventures in Alaska. You can try zip-lining through a National Forest, a dog sled ride or whale-watch with an experienced team who know where these giants like to mingle. Take the popular train ride along the historical Gold Rush Path and see what early miners endured for gold. You are sure to find shore excursions that will pique your interest and let you experience a bit of life in Alaska.

One of the most popular stops on this itinerary is to Hubbard Glacier. With 300-foot walls of towering ice, you feel not only the chill but the magnificence of what has taken thousands of years to form. Perhaps you will hear the creak of the ice as it moves slowly, packing itself in tightly. Or, you may hear

the thunderous sound of the glacier calving and watch as the pieces of ice plunge into waters below.

You will also have a complete day at sea as the *Silver Muse* sails through the inside passage. The Alaskan coastline is surprisingly lush and green and, as you quietly cruise, small islands unexpectedly appear dotting the waters. You may see bears and other wildlife come to the waterline to drink. Eagles easily soar to great heights. Keep your camera close! We will disembark in Vancouver, an eclectic, energetic city with much to see and do, great restaurants, wonderful art, great shopping and a lively night life. Do consider staying a day or two here to visit the famous Bchart Gardens or tea on Victoria Island.

During your cruise, you'll enjoy the many offerings of your "home at sea", the Silver Seas 6-star luxury ship, *Silver Muse*. While on board, surrounded by the beauty of Alaska, you will enjoy the beauty and intimacy of one of the most exquisite ships on the water. The personalized service will spoil you and the warmth and comfort of your private suite (most with verandas) and the public areas offer relaxation and luxury. There are several dining options from which you can choose, nightly entertainment, a world-class spa and several lounge areas to gather, meet fellow travelers, have a cocktail and share your day's adventures.

Whether this is your first trip to Alaska or you are returning because you love it and want more, we hope you'll consider joining Dave on the *Silver Muse* in June, 2022. Prices start at the special price of \$4,019/per person. Plus, Kelly Cruises is providing each suite with a \$300 shipboard credit!
