Dear Fellow Travelers,

I'm really excited and already looking forward to my next cruise with Kelly Cruises & Tours which sets sail May 30, 2024 from LONDON! This incredible cruise with its exceptional itinerary is on Regent Seven Seas Splendor and sails for 10 nights to ports in France and Spain before returning to London on June 9, 2024.

This is an all-inclusive cruise with many FREE amenities, including: Specialty Restaurants, Unlimited beverages, (including wine and spirits), and Pre-Paid Gratuities! All this and more are included starting at just \$9,799/per person/ double occupancy. Additionally, you'll receive a \$400 shipboard credit/per stateroom/per couple from Kelly Cruises! Use this onboard for something special for YOU, maybe a spa treatment or boutique purchase.

Our journey will take us to three unique French villages – Saint-Malo, Brest and Lorient to enjoy the personality each village has. We'll have extra time to enjoy Bordeaux, the world's wine capital and all things wine. It's the perfect place for an overnight stay, so you have time for vineyard visits, a bike ride through the town or a chateau dinner. Crossing the waters into Spain we'll visit Santander and Gijón to enjoy the best of Spain's fishing port life. There'll be time to explore and savor some fresh seafood and/or beach time.

Our "home" for this adventure is Regent's aptly named luxury ship Splendor. The Splendor's surroundings are the height of luxury and grace, with various dining options, boutiques, spa services, entertainment and graciously sized suites, with your own minibar, all designed for your relaxation and pleasure.

Please call your Travel Advisor at Kelly Cruises & Tours at 630-990-1111 soon. Kelly Cruises' Advisors are so helpful and happy to answer any questions you may have about the ship, the itinerary, the accommodations or a pre or post cruise stay in London! They truly love what they do and can help you select and reserve the perfect suite for your extraordinary 2024 roundtrip London Spring cruise.

We are looking forward to traveling with you. Brenda and I have traveled with Kelly Cruises & Tours for several years and each trip has been a wonderful experience and an unforgettable adventure. We have met so many fun, engaging people, seen so many beautiful sights and made memories we will carry with us forever.

Hope to see you May 30th, 2024!

*John*

## What You'll See – Highlights

Upon departure from London (Southampton), your cruise will bring you to several distinctive ports in both France and Spain. There are over a total of 40 Free Shore Excursions available during this 10-day. Many excursions which take you to interesting attractions outside of the actual port city/village will be available. If you prefer to enjoy a Private Shore Excursion, they are also available for a fee. Reading the descriptions of these Free and Private Excursions provides more detailed information about what you will see, what's included in the excursion, level of physical exertion and length of time. Following are a few highlights of this itinerary.

The French ports of Brest, San Malo and Lorient will be visited during the first three days of the cruise. They all are seaside towns/cities. Brest has a long history with the sea indicated by its naval base, elite French naval school, naval museum, and sea-focused research center. San Malo's wavy coastline provides a constantly changing water show for all who visit. A popular side trip from San Malo is the trip to Mont Saint Michel, a tidal island, that for centuries, has housed the magnificent Abbey of the same name. This is a site not to be missed! Lorient is a busy port town. Five ports: Fishing, Military, Marina, Trade and Passenger keep this stop a vibrant place to visit. Architecturally, you can see 18th Century Mansions, homes of the 30s and rebuilds of 1950-1960s homes following the destruction of Lorient during World War II.

Most have heard of Bordeaux, even if wine is not your beverage of choice. Long claimed as the wine capital of the world, everything wine is at your fingertips- and lips-right here! There are wine tastings galore, vineyard visits, bike tours through the town and of course, as should be in Bordeaux, a Chateau dinner if you please! Thankfully we overnight here because...there's just so much wine and we need more time. Do you agree?

Saint-Jean-de-Luz is also strongly linked to the sea. Strolling its Old Town is a great way to learn its history, enjoy the many seafood restaurants and shop "for a little something". While walking, remember French King Louis XIV was so enchanted by Saint Jean he chose to be married here...making this quite a popular locale for sure. If beach time is your desire, this is your place, as the beaches are protected and a popular attraction – weather permitting of course. From here we head to Spain to explore Santander and Gijon. It is said Santander is a city to just enjoy. It is especially for walkers. Santander's numerous parks and promenades, combined with its mild weather, allows visitors to visit most of the city's highlights including the Magdalena Palace (a favorite of Queen Victoria), the many views of the coast, the Casino and the Cabo Mayor Lighthouse. Also, popular and famous for its beaches, parks, coastal views, Gijon is another haven for walkers. Enjoy the sea air and all those parks!

Our adventure reluctantly comes to an end with a final full day onboard the Splendor, to sail the day away and enjoy the scenery on the Bay of Biscay as it glides by. Visit your favorite Splendor spots, have a drink with and get the addresses of new friend, and use your Shipboard Credit from Kelly Cruises & Tours for something to remind you of all these great times we have had together!
