OPEN YOUR MIND TO A MOSAIC OF MEMORIES

Gaze upon a horizon of endless possibilities

The greatness in travel lies in the ability to continually restore our interpretation of the world. Discerning travellers understand that sailing afar with an open mind often unveils discoveries beyond all expectation. It's this same approach that sets Silversea's Mediterranean cruises apart – and you'll find they even defy imagination.

No matter how many times you've visited the Mediterranean, there are always new discoveries waiting – along every cobblestone pathway, around every cathedral spire, and among every old town square. If you let us take you there, to our home, you'll experience it all from an insider's vantage point.

We of course maintain the all-inclusive, ultra-luxury standard for which we are renowned – genuinely personalised service, small-group shore excursions,

and epicurean cuisine among other inclusions on our intimate, ocean-going ships. But what's more, the small details that surprise and delight along the way. On board, that means preparing innovative dishes alongside our chefs in the S.A.L.T. Lab, while our new collection of included shore excursions offers a wide variety of off-the-beaten-path tours, one-of-a-kind outdoor adventures, and exclusive after-hours exploration ashore.

This is more than the Mediterranean you've read about in history books. This is about piecing together every memorable aspect of this legendary corner of the world and creating one unforgettable cruise journey you'll remember for years to come.

ALL ABOUT S.A.L.T.

Deconstructing Silversea's new Culinary Programme

by Adam Sachs

Let our new S.A.L.T. offerings season your culinary adventures

What is S.A.L.T.? S.A.L.T., which stands for Sea & Land Taste, is a new immersive culinary programme launching soon on our newest ship, *Silver Moon*. S.A.L.T. is all about connecting travellers to the places they're visiting through the lens of food and drink culture. By bringing onboard regional chefs, producers, authors and others to share their passion and expertise through talks and hands-on demos and cooking lessons in our new S.A.L.T. Lab, we're able to extend the learning experience and give our guests more context for understanding local food culture. By connecting customised shore excursions with fascinating lectures and hands-on onboard cooking experiences and local specialties, wines and cocktails, we're really connecting the dots between all these elements in a way that allows the guest to come away with a better, deeper understanding and appreciation for the tastes, cultures and foodways of the places we're visiting.

How will Silversea's S.A.L.T. approach differ as you sail to regions with varied histories and dining cultures? How will it explore the ports of call that we visit? Wherever we go, we're looking for amazing experiences, ingredients and traditions and, most of all, great stories that really help us unlock the history and tastes of the places we visit. When we return to the Mediterranean and Europe, the trick will be to always dig deep and find new angles and areas of investigation in a region that feels very familiar to many. Happily, there's no end to the dishes, ingredients and tastes to explore.

How is it distinctive? How does it enrich your cruise experience? What sets S.A.L.T. apart is the narrative approach we take to creating a holistic, immersive culinary experience. What that means is identifying the compelling food stories of a region and then seeking out the chefs, authors, experts, winemakers and producers who best represent that culture and cuisine. As well, the local drink specialties in S.A.L.T. Bar and regionally focused menus in S.A.L.T. Kitchen will extend the programme on board.

If S.A.L.T. is about telling stories about food, history and traditions, who will we learn from? Wherever we go, we'll be asking the questions: Who are the best producers and experts in this region? Who can best tell the stories behind the dishes and ingredients of the places we're visiting? All of our guides for S.A.L.T. Experiences will be experts in not just the history of the place but also its food culture. In addition to chefs, both local and expats returning to the places that inspire them, we'll be reaching out to local historians, cookbook writers, farmers, winemakers and experts of all kinds. *Read more by visiting [Discover.Silversea.com](https://www.silversea.com/discover).*

DESTINATION HIGHLIGHTS

MALAGA, SPAIN

Bathing in the sunshine coast's stunning subtropical climate, it's no surprise Malaga is one of Spain's most popular cities. You can recline on the renowned beaches of the Costa del Sol, or venture inland to discover the Moorish treasures of Granada and Cordoba. Visit the renowned Picasso museum – housed in the artist's birthplace – before exploring the colourful Soho district, which is splashed with vibrant street paintings. Known as La Manquita – or the one-armed woman – the city's cathedral rises over the historic old town, and its accompanying second tower was never completed, hence the nickname. The Alcazaba fortress palace looms over the waterfront and forms a spectacularly preserved remnant from the era when the Moors controlled the Andalucía region. Select voyages feature an overnight in port, affording deeper exploration of the nearby Alhambra palace, local nightlife, and seafood tapas restaurants.

DESTINATION HIGHLIGHTS

DUBROVNIK, CROATIA

Croatia's crowning glory rears up vertically from the tranquil waters of the Adriatic, and Dubrovnik's daunting fortress town is a truly imposing sight to behold. Encircled by chunky stone walls so thick and dramatic they could have been purpose-built as a film set, this city's unmatched old town is the setting for countless films and shows seeking a truly authentic medieval flavour. Fully restored now, the stone streets of the city take you through a beautiful mosaic of architectural splendour, baroque churches and splashing fountains. Visit the neighbouring fort of Lovrijenac, for another perspective, or swing up to Srd fortress's glorious panorama on a cable car. Dubrovnik's streets are crammed with eateries and candlelit tables. Take sunset cocktails to beaches like Banje or sail pristine waters to explore island gems like Lokrum, where peacocks are the only permanent residents.

TERMS AND CONDITIONS

NOTICE: For U.S. cruises and guests: Prior to booking, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, available at <http://www.cdc.gov/travel/notices>. If a certain threshold level of COVID-19 is detected onboard your cruise ship during your voyage, your voyage will be ended immediately and the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. **For cruises and guests worldwide** Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, imagery and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries. These may not be available during your voyage, may vary by ship and destination, and may be subject to change without notice.

Silver Privilege Fares: Fares shown are cruise-only per guest unless otherwise noted, based on double-occupancy. Availability of all suite categories cannot be guaranteed. Fares for single guests are available upon request. Additional restrictions may apply.

Early Booking Bonus Programme: Offer valid on new bookings made between 01 June 2021 to 31 August 2021 on voyages (including cruise combinations) departing from 1 January, 2022. Guests will receive up to 20% savings on the Silver Privilege fare for select voyages if full payment is received no later than 31 August, 2021; full payment includes the cruise fare and any outstanding balances on the booking (air, hotels, transfers and land programs). Offer not valid for full World Cruises. Bookings made before or after the promotional period will not qualify for the savings. Other restrictions apply.

Silversea's Included Shore Excursion Programme: On all Classic Cruises of Silver Muse, Silver Moon, Silver Dawn, Silver Spirit, Silver Whisper and Silver Shadow, selected shore excursions (one per guest/port/day), if available, will be offered on a complimentary basis. Including Shorex for below ships, from this sailing date: Shadow > 24-May-22; Whisper > 22-May-22; Spirit > 31-Mar-22; Muse > 19-May-22; Moon > 30-Mar-22; Dawn > 1-Apr-22. Shore excursions will be bookable at least 180 days prior to sailing, on "first-come-first-served" basis, although a pre-sale period will be dedicated to Venetian Society guests. Shore Excursions may require minimum participation levels to operate so it is recommended to sign up as early as possible. Silversea reserves the right to cancel any excursions including free shore excursions. No credit or other compensation will be given if free shore excursions are unavailable, cancelled or not utilized. No shore excursions will be offered at the disembarkation port/day. All shore excursions including those offered on a complimentary basis are operated by independent operators over whom Silversea has no control. Other restrictions may apply. For Expedition voyages, regardless the sailing date, shore activities are fully included as compulsory component of the product. For full details visit Silversea.com.
