Crystal continues its Brand evolution and Expansion with an extensive redesign of their two beloved ocean ships, the Crystal Serenity and the Crystal Symphony. Each ship will undergo a renovation that will enhance the comfort and enjoyment of Crystal's guests, and secures the cruise line's award winning reputation.

Always with their guest's comfort a top priority, this renovation will significantly increase the number of Penthouses and Penthouse Suites available on both ships .

The Crystal Symphony will receive two entirely new accommodation categories with the addition of 12 new Seabreeze Penthouse Suites with Verandahs measuring 491 sq. ft. Additionally, 28 newly configured Seabreeze Penthouses with Verandahs, measuring 367 sq. ft will be added. The 40 new Penthouse accommodations will be situated on Symphony's Deck 9, the Seabreeze Deck.

Crystal's Serenity will be redesigned to add 36 new 403 sq. ft. Penthouses and 2 additional Penthouse Suites measuring 538 sq. ft. These 40 new Penthouse accommodations will all be located on Deck 10 – Penthouse Deck.

Following this redesign, the Symphony will accommodate 848 guests and Serenity 980 Guests. Guest space has always been a high priority for Crystal and one of its many distinguishing factors. The additional space/per guest this renovation provides, is another example of Crystal's focus on guest comfort.

The dining venues of the Symphony and Serenity will also be redesigned and transformed, providing guests with an updated elegant, modern atmosphere to enjoy the Crystal's winning cuisine. The main Dining room will be renamed Waterside. More tables for two and four guests will be added, providing additional opportunities for intimate dining. Both ships will adopt the popular open dining concept between 6:00 – 9:30 pm. The previous specific time and assigned seating will no longer be implemented. Breakfast and Lunch service at Waterside will be available at the same times it has been served in the main dining room.

A new dining addition on both ships, Silk, will be located on the Lido Deck in the current Trident area. Available for breakfast, lunch and dinner, its atmosphere will have a contemporary feel and offer Chinese inspired cuisine. Breakfast and lunch will be self-serve. Dinner will be available from 6:00-9:00pm and served Family style, providing opportunities to share and sample The Trident Bar & Grill remains in the adjacent space and will continue to serve its popular burgers, hot dogs, sandwiches and salads!

Master Chef Nobu Matsuhisa's specialty restaurant Silk Road and The Sushi Bar will be renamed as Umi Uma. Continuing to serve the cuisine of Nobu, prepared by his personally trained chefs, Umi Uma remains the only Nobu restaurant at sea. Popular public spaces onboard will also enjoy a redesign. Serenity's top deck lounge, Palm Court, will take on a whole new look and feature more intimate seating for guests to gather, talk and enjoy the panoramic views. Symphony's Starlite Club, the place to be for evening dancing and cocktails, is also scheduled to be refreshed and refitted.

With the completion of Symphony's dry dock in November, 2017, all Crystal guests will receive complimentary, unlimited Wi-Fi on any Crystal voyage on every Crystal vessel! Hardware and software has been enhanced to provide faster speed and expanded internet connections on board. Crystal Connect, a guest portal which enables guests to access the internet easily, will be introduced. With these updates to accommodations, dining and technology, Crystal continues to reinforce its objective to surpass their guests' expectations on every level. Such innovation is implemented to guarantee that the on-board experience continues to reach the highest levels of satisfaction and loyalty with its guests, staff and crew.

the Silver Muse is Simply Divine!

My husband, Scott, and I, were amongst the privileged few to join Silversea's owner and executives on Silver Muse's very first voyage. Our journey was the epitome of magnificence, exceeding our expectations of a Silversea experience. Our grand adventure began pre-cruise in Milan, with an enchanting evening at Villa Necchi Campiglio. We reveled in the extravagance of the evening, which included cocktails and Italian aperitivo in the garden, followed by a savory Italian dinner and a private opera concert with La Scala singers...Bravo!!!

The next day we transferred to Genoa, where we seized the sights, scents and sounds of the glorious new Silver Muse. The enthusiasm was intoxicating...every moment was a first and our days were filled with new surprises. Silver Muse is the ninth vessel touting prestigious Italian craftsmanship. Accommodating 596 guests, she has the highest number of large suites; eight innovative dining venues (several to include open dining); elegant bars and lounges and state-of-the-art technology. The décor is contemporary with the soft elegant feel of a personal yacht. Our escorted tour of the Silver Muse gave us the opportunity to view all the suites, restaurants and spa ... a priceless study for luxury consultants to share with their clients.

We enjoyed so many firsts on our trip. First to enjoy the view from our teak veranda; first to use the shower and first to sleep on the brand new Premium mattress with Pratesi® bed linens; down duvets; and pillows from the "pillow menu" fit for a king and queen. The eclectic dining venues were the talk of the ship. Silversea classics... The Grill and La Terraza are now joined by six new dining venues, with something to

satisfy every palate. Atlantide, was a personal favorite with so many seafood choices, along with Indochine's Asian infusion, an unexpected surprise for a conscientious connoisseur. There's more... the Japanese teppan Kaiseki, the informal Italian bistro Spaccanapoli, the intimate small plate tapas style, Silver Note and La Dame, the only Relais & Chateaux restaurant at sea. Marseille, France and Tarragona, Spain were our two port stops before disembarking in Barcelona. Notre Dame de la Gard in Marseille joined our list of favorite churches; it was one of the more difficult walks, but we enjoyed this trek with our cruise mates and friends in the business.

In Tarragona, we were treated to an outdoor buffet of elegant tasters from Spain, before entering Ferrari Land, another first, with private access to enjoy the park one day before it opened to the public. Red Force, the tallest and fastest rollercoaster in Europe, was the main event. Silversea made sure we had the time of our lives, while enjoying time with new friends. It was everything I hope my clients will experience on their own Silversea Voyages. Bravo Silversea...Bravo!!! - Kathy Benson-Schram
